Household Hazardous Waste and Safer Choices

Post-Survey- 2022

1. Which cleaning product is safe to use?

A. Unlabeled cleaning product	B. Product that is properly labeled	C. I don't know
-------------------------------	-------------------------------------	-----------------
2. Which of these products is a safer choice?

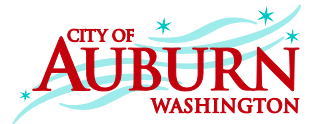

A. Product labeled "Caution"	B. Product labeled "Danger"	C. I don't know
------------------------------	-----------------------------	-----------------
3. Which of these products is flammable?

A. Product label says, "Keep away from flame."	B. Product label says, "Do not swallow."	C. I don't know
--	--	-----------------
4. Which of these products is poisonous or toxic?

A. Product label says, "Keep away from flame."	B. Product label says, "Do not swallow."	C. I don't know
--	--	-----------------
5. I will share the following tip(s) for choosing a safer product with one person in my household (check at least one box to pledge an action):
 - ☐ Only have one product container open at a time to avoid dangerous reactions.
 - ☐ Always keep products in their original properly labeled containers.
 - ☐ Store products in a safe place, out of reach of children and pets.
 - ☐ Read product labels and choose products with no signal word, or only with Caution or Warning on the label (Avoid products that say Danger or Poison.)
